Post-quake residential area in Caporciano, Italy

## ACADEMIC WORK

I invited LABAA Laboratorio Architettura Ambiente (University of Florence) by prof.ssa Maria De Santis in Wolfsburg to participate to a study-tour, seminars, site inspections and workshops in the key-locations of the city, including the Kulturhaus by Alvar Aalto and the Theater by Hans Scharoun. The students chose two areas to develop their projects and environmental strategy. The experience ended with the projectual exam and the participation at the competition for the european universities WOLFSBURG AWARD for urban vision.

Seminars in Wolfsburg and Florence
